CONFIRMATION OF MY ADVICE AREAS

Insurance	
✓	I will advise and make a recommendation for you after I have assessed your needs for Life Assurance, Critical Illness, Income Protection, Accident Sickness & Unemployment, Home Insurance, and Private Medical Insurance.
	You will not receive advice or a recommendation from me. I may ask some questions to narrow down the selection of products that I will provide details on. You will then need to make your own choice about how to proceed.
Mortgages	
✓	I will advise and make a recommendation for you after I have assessed your needs.
	You will not receive advice or a recommendation from me. I may ask some questions to narrow down the selection of products that I will provide details on. You will then need to make your own choice about how to proceed.

You should note that if we are arranging a “Buy-to-Let” mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

The FCA does not currently regulate mortgage sales if one or both of the following apply:

- The mortgage is a second charge on your home. “Second Charge” means you already have another loan secured against your home.
- Less than 40% of the property on which the loan is used or will be used as a home by the borrower or a member of the borrower’s immediate family.

If your Buy-to-Let mortgage meets the above criteria and is NOT regulated by the FCA this has implications:

1. This means that you will not be able to take complaints about this type of mortgage to the Financial Ombudsman Service.
2. You will not be able to seek redress from the Financial Services Compensation Scheme if Intrinsic Mortgage Planning Ltd becomes insolvent.

We will confirm to you if any product we are recommending is not regulated by the FCA.

Minimum Fees & VAT

Existing client discount:

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client, mainly related to getting to know them to advise them comprehensively. To reflect that and to reward the loyalty of our existing clients, we may offer discounts on our advice and recommendation fee.

ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients.

You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. Communication - In order to provide you with a high quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. Protection - It is important to ensure your current protection plans and provisions remain in line with your objectives. If you wish, we can review this once a year with you.
3. Mortgages - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. Ideally this will be 6 months beforehand. We encourage you to contact us should your financial circumstances change in the meantime.

We will make best endeavors to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Client Classification Levels For Your Protection

We classify all our individual clients as 'retail' clients. As a retail client you have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS).

There are other classifications of client that don't have these rights. These are "professional" clients - such as listed companies, local authorities and larger partnerships or trusts. Client Money Peace Of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service Charges. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Paying For Advised Services

Full details of the final Advice and any future Service fee will be provided in the Suitability Advice Report prepared for you by your Adviser. You may also be asked to sign and return a copy of our '**Authority to Proceed**' document to confirm your understanding and acceptance of the arrangements.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of recommending a product. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser charge made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

Declaration of Other Interests

Intrinsic has a number of payment arrangements with various product providers to facilitate adviser learning and enhance the outcomes for our clients. Further details are available on request.
